

- ▶ Only programs included in the 2006 National Research Council (NRC) Assessment of Research Doctorate Programs are included here.
- ▶ Full-time status is determined by the programs. Full-time status is based on the student's status prior to reaching candidacy.
- ▶ Time-to-Degree is the elapsed time from the beginning of the students initial semester in the doctoral program to the graduation date.
- ▶ Approved leaves of absence have been subtracted from elapsed time to degree.

Doctoral Program	FY 2004 - FY 2006 Doctoral Degree Count for Full-Time and Part-Time Students	Median Time to Degree (in years) for Full-Time and Part-Time Students	FY 2004 - FY 2006 Doctoral Degree Count for Full-Time Students	Median Time to Degree (in years) for Full-Time Students Only
