Footnotes continued:

³ The accrediting agency has postponed the site visit until the 2019-20 or 2020-21 academic years.

⁴ The Certified Registered Nurse Anesthetist program moved to the DNP level in July 2012 and was granted accredited status under the original umbrella covering the MS program. The program received approval to change the award to the DNAP in 2015-16.

⁵ The Kansas Board of Nursing schedules its site visit at the same time as the accrediting agency, The Commission on Collegiate Nursing Education (CCNE). Programs are approved for the same length of time as the CCNE accreditation.

⁶ This program falls under the Next Accreditation System (NAS) of the Accreditation Council for Graduate Medical Education. The Council are using a continuous accreditation model with collection and review of annual data from each program. The effective year is updated annually. The approximate date for the next site visit under NAS is provided

⁷ An updated date for the next site visit is unknown.

⁸ Combined program approved by the American Boards of Internal Medicine and of Psychiatry and Neurology. Each specialty is separately accredited by Accreditation Council for Graduate Medical Education.
