Notes: "Full" is used when a program has been accredited and maintains a status of continuing accreditation as the result of a site visit or from action stemming from review of annual reports. "Initial" is used when a program has received its initial accreditation.

Abbreviations: UG, undergraduate; GR, graduate; N/A, not currently available; TBD, to be determined

1. Consists of three programs (cardiac, pediatric cardiac, vascular) which are accredited as diagnostic medical sonography programs; the pediatric cardiac and vascular programs were granted initial accreditation in 2019, the cardiac program has full (continuous) accreditation since 2004.

2. Consists of two programs (general and vascular) which are accredited as diagnostic medical sonography programs.

3. The accrediting agency has postponed the site visit until the 2021-22 academic year.

4. The Kansas Board of Nursing schedules its site visit at the same time as the accrediting agency, either the Council on Accreditation of Nurse Anesthesia Educational Programs/Schools (COA), the Commission on Collegiate Nursing Education (CCNE), or the American College of Nurse Midwives Accreditation Commission for Midwifery Education (ACNM). Programs are approved for the same length of time as the accreditation period.
