**Notes:**

- 1 Student Learning Assessment Report due September 2022 as part of the HLC Open Pathway process.
- 2 Due to the impact of the pandemic, all APA accreditation site visits scheduled to occur in-person during 2020 were postponed. The site visit is now scheduled for 2021; the program remains accredited and in good standing throughout this delay.
- 3 School Psychology, Visual Art Education, and Music Education are also reviewed as part of the School of Education accreditations by KSDE and CAEP.
- 4 ABET, Inc. policy prohibits public disclosure of the period for which a program is accredited, though institutions may publish the year of the last and next review.
- 5 In 2020 the ABA moved from a 7-year cycle to a 10-year cycle.
- 6 ABAI delayed the on-site review until Fall 2020. Report expected by Feb. 2021; program remains fully accredited pending report.
- 7 Individual residencies are accredited, not the program overall, and the period of accreditation varies for each residency. Residencies in pharmacy, health-system pharmacy administration, and pharmacy in oncology at KUMC are approved for six years, to 2021. The community-based pharmacy residencies in Kansas City, KS, and Wichita are accredited for eight years, to 2026, and for three years, to 2023, respectively. The Ambulatory Care pharmacy residency program in Wichita is accredited for eight years, until 2028.
