Fall Enrollment at a Glance

University of Kansas - All Campuses

These charts show KU enrollments as of fall 20th day census points. Students are assigned to a governing campus based on where the student takes the majority of his/her credit hours. FTE is calculated by dividing total enrolled hours by 15 for undergraduates, 12 for doctoral professional students, and 9 for other graduate students. FTE set to 1.0 for students in the MED career, including MD, visiting MD, and medical residents. Student level Specialist included with Masters.
